The Complaints Process

BEAUFORT ROAD SURGERY

Talk to us

Every patient has the right to make a complaint about the treatment or care they have received at Beaufort Road Surgery.

We understand that we may not always get everything right and by telling us about the problem you have encountered we will be able to improve our services and patient experience.

Who to talk to

Most issues can be resolved at a local level, often at the time they happen. Please speak to a member of staff if you have a concern and they will assist you where possible.

Alternatively, please ask to speak to the Complaints Manager, Ms Deborah Braddock.

If for any reason you do not want to speak to a member of our staff, then you can request that NHS Dorset investigates your complaint. They will contact us on your behalf:

NHS Dorset Customer Complaints Team
Vespasian House, Barrack Road
Dorchester, Dorset
DT1 1TG
Direct tel: 01305 368926
Email: customer.careteam@nhsdorset.nhs.uk

How to make a complaint

A complaint can be made verbally or in writing. If you submit a written complaint please ensure you include your full name, date of birth and details of the incident including dates, times and persons involved. Additionally, you can complain via email to Beaufortroad.surgery@nhs.net or online at: www.beaufortroadsurgery.co.uk/complaints-procedure/

Timeframes for complaints

It is best to make a complaint within a few days of the incident while events are still fresh in your mind. This makes it easier to confirm what happened and gather appropriate information.

If that is not possible the time constraint on bringing a complaint is 12 months from the occurrence giving rise to the complaint, or 12 months from the time you become aware of the matter about which you wish to complain.

What happens next?

The Complaints Manager will acknowledge your complaint within three working days.

We will aim to investigate and provide you with the findings within thirty working days. If for any reason this is not possible we will provide regular updates regarding the investigation of your complaint.

Investigating complaints

We will investigate all complaints effectively and in conjunction with current legislation and guidance. We will look at what happened and why, how we can help resolve the issue and what we can learn.

Confidentiality

Beaufort Road Surgery will ensure that all complaints are investigated with the utmost confidentiality and that any documents are held separately from the patient's healthcare record.

Third party complaints

Beaufort Road Surgery allows a third party to make a complaint on behalf of a patient. The patient must provide written consent for them to do so.

Final response

Beaufort Road Surgery will issue a final formal response to all complainants which will provide full details and the outcome of the complaint.
